**Subject:** re: April 1 deadline for ORS report- Request for Additional Time to April 15, 2011  
**Categories:** Josh

Dear Hearing Examiner Minges:

The South Carolina Office of Regulatory Staff is still reviewing materials it has obtained in relation to your directive, and as such, requests additional time to file its report with the Commission. We would request until Friday, April 15, 2011.

I will put this request to you in a formal letter to be filed in the appropriate dockets, and copy the parties.

Very truly yours,

Nanette S. Edwards  
Chief Counsel, Director of Legal Services
